Cardinal®

# The Best in Portable Drum and Barrel Scales. . .

Run-A-Weigh

Cardinal's *Run-A-Weigh* lets you put a platform scale where you need it, when you need it.

Weighing in at less than 100 pounds and featuring built-in handles and wheels, the *Run-A-Weigh* is easy to lift and roll to wherever you need it. Whether it's multiple weighing locations at a single facility or the need to take a scale to special job sites, the *Run-A-Weigh* gives you true portability.

Choose The Weighing System To Fit Your Requirements

If you need a general purpose scale, a scale for tough environments, or a scale for washdown applications, Cardinal has the right system for you. We offer enclosures in stainless steel or stainless steel NEMA 4X/IP66.
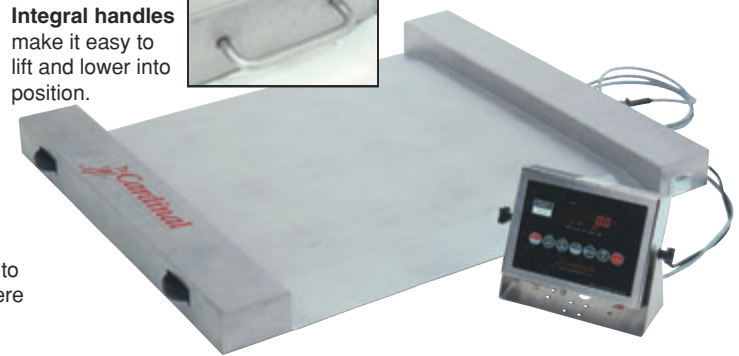

Stainless Steel Run-A-Weigh

With Cardinal's 205 Weight Indicator
For Weighing Applications In Harsh Environments

Available in Your Choice of Standard or Stainless Steel

Model RW-100 with 204 Indicator

Integral handles make it easy to lift and lower into position.

Stainless Steel with 205 Indicator

Built-in wheels permit the scale to be rolled anywhere it's needed.

Cardinal's "Run-A-Weigh" **. . . So Portable You Can Use It *Anywhere* and *Everywhere!***

Designed for weighing "on-the-move," this portable scale features a Cardinal Digital Weight Indicator that can be mounted on the wall or desk for convenient viewing. Setup is simple and quick with the *Run-A-Weigh's* self-aligning feet. Heavy-duty construction, large checkered safety plate platform with integral ramps, and the 500 lb or 1,000 lb capacity make this the perfect scale for weighing barrels, drums, and small crates - *anywhere!*
